MONTREAL'S HOT & DRY WEEKEND FROM MAY 20 TO 23

The BBCM Foundation will present the Hot & Dry Weekend from **May 20 to 23** in different venues of the Montreal Gay Village. This event coincides with the beginning of the summer in Montreal and is one of the BBCM's most popular events. The Hot & Dry takes place on a Canadian holiday Weekend, Victoria Day.

Furthermore, the BBCM Foundation will take advantage of the Hot & Dry Weekend Launch Cocktail to give charitable contributions to different groups which provide direct support and assistance to HIV/AIDS people and to community organizations as well. In addition, during the event, the foundation will also announce the total value of the products and services offered to the community last year.

List of official events of the Hot & Dry Weekend:
